Dear Custom Officials,

**TYPE APPROVAL EXEMPTION – SCOOP DISTRIBUTION**

Kindly note that the Authority has reviewed the documentations describing equipment to be imported into Namibia by Scoop Distribution and hereby confirms that the following model: X301W (Entry Level Wi-Fi IP Phone) does not require type approval.

This letter therefore, serves only as an exemption for the equipment mentioned above and may not be used for other consignments without the consent of the Authority.

In light of trade facilitation, the Authority thus requests Customs to please allow the equipment to pass the border as they do not require Type Approval.

For any further information or clarity please do not hesitate to contact Ms. Sheleen Kavikairiua, Manager: Licensing Standards & Regulatory Compliance, at Tel: 061 222 666 or via email: [skavikairiua@cran.na](mailto:skavikairiua@cran.na)

Yours faithfully,
